Mid-Range Prone Match for NRA Service Rifle, Match Rifle, F-Class Rifle, and AR Tactical Rifles

Dates: March 24, April 28, May 26, June 23, July 28, September 22, October 27, and November 24, 2024.

Range opens at 8:000, firing begins at 9:00 local time

Rules: NRA Highpower rules will govern. AR Tactical Rifle rules and Factory Rifle rules are at the end of this program.

Location: Chattahoochee Rifle Club Range, 2302 Hitchitee Creek Road, Louvale, GA 31814

Entries: Entries will be accepted until 0830 prior to firing - Entries will be limited to 20 competitors.

Entry Fee: Non-members \$20.00, members \$10.00. Lunch, if available, is not included in the match fee and will be an additional fee that will be dictated by the menu.

Classification: NRA classification system will not be used.

Rifles: NRA Match Rifle (any sight), NRA Service Rifle, NRA Palma Rifle, NRA Mid-Range Tactical Rifle (AR), NRA F-Class Rifle (F-O and F-TR). This is not an NRA approved match and we will find a class for whatever rifle shooters bring, but no rimfire rifles, M-1 carbines, AKs, or SKSs allowed. Artificial support (in accordance with NRA rules) allowed for F-class, AR Tactical Rifles, and factory rifles but all others must use slings. Factory rifles and AR Tactical Rifles must use front bipods similar to the Harris bipod or sandbags and a rear bag.

Targets: MR-63 and MR-63FC

Benches: There is one bench on the 300 yard range and the match director may authorize its use by an individual who is physically limited in his/her ability to shoot from the ground using a sling, bipod, F-class rest, or sand bags.

EMPTY CHAMBER INDICATORS: NRA RULE 3.21 THE EMPTY CHAMBER INDICATOR WILL BE USED TO INDICATE THE CHAMBER IS CLEAR. Empty Chamber Indicators will be available from the sponsor for \$2.00

Ammo: Any safe ammunition. Competitors will furnish their own ammo.

Scoring: Competitors will be required to score.

Loaner guns: Anyone who would like to participate in these matches but does not have a suitable gun should contact the match director (see below) to ascertain availability of loaner guns and ammo.

Zero verification: Shooters who arrive without a 100 yard or 300 yard zero on their rifles will be required to establish a 100 yard zero that is approximately three inches above the aiming point on a 100 yard target. This will ensure the first round on the 300 yard target impacts near the center of the target.

Course of Fire: All firing will be at 300 yards. All rounds will be single loaded.
